TONINI FINANCE CAPITAL INCREASE – THE REASONS

The capital increase is aimed at strengthening the group's capital and financial structure, in order to allow it to seize and pursue development opportunities in the relevant reference markets. In detail, the proceeds will be used mainly to support the development of the group's activities in the medium term, through the financing of acquisitions and development projects for a total amount of approximately 50 million euros. The capital was fully paid up as already communicated during the year but made official with the presentation of the financial statements.

The Share Capital is GBP 306.000.100,00
